PROFILE SUMMARY

Experienced Java Developer specializing in scalable web applications, back-end development, and MVC architecture. Proficient in JDBC, Play Framework, Spark, Hibernate, JPA, and Spring Boot, with strong OOP and analytical skills. Skilled in algorithms, technical documentation, and performance optimization. Collaborative team player with excellent problem-solving and communication skills.

EDUCATION

G. Pullaiah College of Engineering and Technology	2024
Bachelor of Technology in Computer Science and Engineering	CGPA : 8.37/10

PROJECTS

Train Information System:

- **Train Tracking:** Implemented a system to display train schedules, routes, and statuses.
- **User-Friendly Interface:** Designed an intuitive UI for easy access to train details.
- **Search & Filtering:** Enabled users to search for trains based on station, between stations, train type and pnr status.
- **RESTful API Development:** Built RESTful APIs to fetch and display train-related data dynamically.
- **Frontend & API Integration:** Integrated the frontend with RESTful APIs for seamless data retrieval.
- **Performance Optimization:** Enhanced system efficiency for quick data retrieval and display.

Elegant Search :

- **Tech Stack:** ReactJS, JavaScript, CSS, RESTful APIs.
- Autocomplete and suggestion feature for queries.
- Filter results based on categories or relevance.
- Responsive design for seamless use across devices.
- Provide results in real-time with dynamic updates.

SKILLS

Technical skills	Programming Languages	: Java, JavaScript
	Framework	: Spring Boot, React JS
	Database	: SQL
	Web Technologies	: HTML, CSS, JavaScript, Node JS, Angular JS, Express JS
	Tools	: Git, GitHub, VS code.
Soft Skills		: Communication, Problem Solving, Team Player, Adaptability.

CERTIFICATIONS

- Gained practical experience in HTML, CSS, JavaScript, Node.js, and RESTful APIs, enhancing my web development skills from PHN Technologies.
- Completed an internship at Cognifyz Technologies, gaining hands-on experience in software development and industry-relevant skills.

ACHIEVEMENTS

- Regional level Champions in KSNR Trophy (2023).
- District level Runners of Sakshi Premier Cricket League(SPL-2023) .
